Public Notice for Waiver of Aeronautical Land-Use Assurance

Rickenbacker International Airport

Columbus, Ohio

AGENCY: Federal Aviation Administration, DOT

ACTION: Notice of intent of waiver with respect to land.

SUMMARY: The Federal Aviation Administration (FAA) is considering a proposal to change a portion of the Rickenbacker International Airport from aeronautical use to non-aeronautical use and to authorize the swap of the airport property. The proposal consists of the swap of improved land owned by the Columbus Regional Airport Authority (CRAA) for land owned by the United States Navy (Navy).

The CRAA has requested from FAA a "Release from Federal agreement obligated land covenants" to swap 18.320 acres of property acquired by the CRAA without Federal funding from the United States Air Force via Deed dated July, 11, 2001,

for 24.447 acres owned by the Navy.

The above mentioned land is not needed for aeronautical use, as shown on the Airport Layout Plan. There are no impacts to the airport by allowing the CRAA to dispose of the property. Approval does not constitute a commitment by the FAA to financially assist in the disposal of the airport property nor a determination of eligibility for grant-in-aid funding from the FAA. The disposition of proceeds from the disposal of the airport property will be in accordance with FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in the Federal Register on February 16, 1999.

In accordance with section 47107(h) of title 49, United States Code, this notice is required to be published in the Federal Register 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.

DATES: Comments must be received on or before **[INSERT DATE WHICH IS 30 DAYS AFTER THE DATE OF PUBLICATION IN THE FEDERAL REGISTER]**
